

POTTORFF FEATURES A FULL LINE OF EFFICIENT HVAC PRODUCTS AMCA CERTIFIED AND LISTED

AMCA uses standard test methods and procedures to validate product performance. Many of our products are tested in accordance with AMCA publication 511 and comply with the requirements of the AMCA Certified Ratings Program.

5
year
warranty
all products

“Our Fire/Smoke Dampers, Backdraft Dampers, Thermally Insulated Control Dampers, and Louvers are tested to our own rigorous performance standards. Pottorff has many products which are AMCA certified and listed, providing assurance that these products are always reliable and accurate. This assurance, strengthened by our industry-leading 5-year warranty, is vital to maintaining our customer’s trust.”
