

## Polyester powder finish for steel louvers

Pottorff's superior performance paint systems are available in a wide range of colors, and we can also custom color match to any of your specifications. Our expertise in applying architectural coatings assures you of a high quality finish. With our color options, you get the color you need when you need it!

### PRODUCT FACTS

#### Finish Type

2-coat Polyester Powder Coat Meets AAMA 2604. Dry film thickness 2 mil. Equivalent to Baked Enamel.

#### Description/Application

Environmentally friendly powder coating has good color retention and abrasive properties. Resists chalking, fading, chemical abrasion and weathering.

#### Color Selection

18 colors for steel louvers. Custom colors are available. Consult factory.

#### Warranty

5 year

The color samples shown are not the actual paint. The samples are as close as possible to actual colors offered. Actual coating samples are available upon request.

Please call us at 817-509-2300 or e-mail us at [info@pottorff.com](mailto:info@pottorff.com) to request a sample of our color chart.

Finishes enhance louver appearance by matching or contrasting with adjacent surfaces and extending weather resistance. Color matching is available upon request.
