QUALITY

PERFORMANCE

SERVICE

As we celebrate 95 years in business, Pottorff continues to be one of the most respected names in the industry. We have achieved that reputation by offering the preferred solution to our clients and delivering high-quality products on-time and at competitive prices.

“Pottorff’s service, quality and their commitment to do what the customer expects and deserves is second to none.”

- Bill Ulmer - President, Elite Air Systems, Inc.

WHAT WE OFFER

- UL LIFE SAFETY DAMPERS
- AIR CONTROL DAMPERS
- LOUVERS & PENTHOUSES

Pottorff sells a full-line of high performing HVAC products across the United States through local representatives. In order to ensure our product’s performance and streamline product development, Pottorff features in-house testing laboratories. These labs guarantee precision and allow us to respond quickly to our customer’s needs.

We offer a full range of submittal and installation documents for our products including Revit 3-D files. We also offer product selection software and quick and cross reference guides. Our skilled customer service staff are also on-hand to assist you with information on all of our products.

OUR PRODUCTS ARE CONSISTENTLY BEST IN CLASS FOR PERFORMANCE!

HOW WE ARE DIFFERENT

- WIDE RANGE OF QUALITY PRODUCTS DELIVERED ON TIME AND ON BUDGET
- INNOVATIVE SOLUTIONS FOR YOUR DESIGN REQUIREMENTS
- SKILLED CUSTOMER SERVICE AND ENGINEERING STAFF
- QUICK SHIP - WHEN YOU NEED IT FAST!

“Quality, manufacturing locations, knowledgeable staff and customer service.” - Todd Williams, CAVH HVAC

THE COMPANY WE KEEP

As members of AMCA's Board of Directors, AMCA's Code Action Review Committee and Underwriter's Laboratories, Pottorff participates in the development of building codes, design regulations, and test standards. This ensures that Pottorff products comply with the latest code requirements. All products manufactured by Pottorff comply with the Buy American Act as described in the American Recovery and Reinvestment Act (ARRA). Fabrication of our products is performed in Fort Worth, Texas and Montebello, California.
