

GREEN ACRES NURSERY

MELISSA, TEXAS

Products: Drop Box Diffusers

Pottorff Rep: Texas AirSystems

Architect: O'Brien Architects

Green Acres Nursery provides everything you need to design stunning outdoor spaces, from plants and pottery, to lighting and supplies for irrigation, landscaping, ponds, and fountains. With locations throughout California and Texas, they are committed to enhancing the outdoor shopping experience.

Pottorff is thrilled to have supplied Drop Box Diffusers for their facility in Melissa, Texas. These products are an excellent solution for evenly distributing air in expansive areas while reducing the amount of required ductwork.
